Policy Acknowledgement Form – 2020-2021 School Year

In order to indicate your understanding of the following Religious School policies, parents are required to initial in the spaces provided and sign below. This form must be returned with your Religious School registration packet. Full Parent Manuals will be distributed on the first day of school. Thank you for your cooperation.

ATTENDANCE POLICY--- The relationship between a religious school and its students represents a covenant between the teachers, the parents and their children. It represents a commitment to their community and classmates. Regular class attendance is vital toward building both Jewish knowledge and connection to the community. Attendance is required on a regular basis.

When a student's attendance begins to fall below an acceptable level, the parent(s), teacher, student and Education Director will meet to review the child's progress and discuss ways in which the child can meet the school's standards. This discussion will include a review of future attendance obligation. While individual cases vary, this conference will be required no later than when a student's attendance rate falls below 75% over a three-month period.

Improvements in attendance must be immediate and will be formally assessed again a month after the first conference. Should a student's attendance continue to decline, or if he/she fails to meet the future attendance requirements established in the first conference, then a second conference will occur. At this point, a determination may be made whether the student can adequately continue their progress towards grade completion.
